Zug Pulverturm, Zugerbergstrasse 14, 6300 Zug

Invitation to an Exclusive Event for Expats at the Zug Pulverturm

Did you ever consider the **legal consequences** of your Swiss domicile for your estate? Were your **foreign assets** affected by the recent jumps of the currency exchange rates? What about your Swiss assets in case you move back? Are you financially secure when you **retire**?

Our expert panel will discuss legal and financial implications of transnational migration and explain planning opportunities to avoid pitfalls.

Topics in particular include:

- strategic asset allocation and currencies
- estate planning tools
- marital property and inheritance
- Swiss pension system

The event will be held in a small, exclusive setting.

We look forward welcoming you at the Pulverturm!

Yours sincerely
