

## Our network – your added value

With more than 70 employees (including twelve accredited pension actuaries) at five locations throughout Switzerland, Swiss Life Pension Services Ltd and its subsidiaries aXenta AG, Abcon AG and Actuaire & Associés SA provide advisory, administrative and IT services in the field of occupational benefits for over 400 clients including pension funds and employers. Over 50 000 insured persons are managed on behalf of clients in the outsourcing area, and more than 600 000 insured persons throughout Switzerland rely on the aXenta software.

Together we develop solutions for your employee benefits institution in all areas of occupational benefits. Our services comprise actuarial reports, advice/calculations in accordance with international accounting standards (IFRS/US GAAP), asset and liability management studies as well as outsourcing services for pension funds, investment controlling, securities accounting, corporate consulting and pension governance studies. The IT services and products include consulting, licence sales, ASP and cloud solutions and IT full service provision.

*We set great store on working with our clients in a spirit of partnership. We are committed to achieving the best possible results for you.*

## Swiss Life Pension Services Ltd and its subsidiaries

### Swiss Life Pension Services Ltd

The services of Swiss Life Pension Services (Zurich and Lausanne) and its employees (accredited pension actuaries, insurance actuaries and administration specialists) are geared to the specific needs of the pension fund. The strategic responsibility always remains with the Board of Trustees. It is the Board of Trustees that decides which tasks it performs itself and what it entrusts Swiss Life Pension Services with.
