

## Key investor information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

### Swisscanto (LU) Bond Fund Sustainable Global Credit AA (ISIN: LU1813279012)

Swisscanto (LU) Bond Fund Sustainable Global Credit AA is a unit class of the subfund Swisscanto (LU) Bond Fund Sustainable Global Credit (hereinafter "fund"), a subfund in the umbrella fund Swisscanto (LU) Bond Fund. The fund is managed by Swisscanto Asset Management International S.A., Luxembourg, a company of the Swisscanto Group.

## Objectives and investment policy

The investment objective is to generate an adequate return on a long-term basis by investing primarily in bonds worldwide and taking account of sustainability criteria.

### Important features:

The fund invests at least 51% of its assets in fixed-income or floating-rate securities of domestic and foreign non-governmental issuers, including those from the lower investment grade rating range and the high-yield rating range, and securities without ratings. Business sustainability criteria are considered in the investment selection process and the majority of investments are in securities that are environmental and social leaders in their sector.

Derivatives may be used for achieving the investment objective.

Fund units will be issued or redeemed basically on any bank business day in Luxembourg.

Earnings and profits of the unit class are distributed.

### Additional important information:

The total commitments of the fund may not amount to more than 210% as a result of the use of derivatives (max. 100%) and temporary borrowing (max. 10%).

Recommendation: this fund may not be appropriate for investors who plan to withdraw their money within 3 to 6 years.

## Risk and reward profile

The historical data used for calculating the risk and profit category cannot serve as a reliable indicator of the future risk profile.

The risk and profit category shown may very well undergo changes. Assignment to a category may change over time.

The lowest risk category cannot be equated with a risk-free investment.

Reasons for being assigned to the risk and profit category:

- Interest-rate curve
- Interest-rate increase
- Foreign currency risks

There is no capital guarantee and no capital protection.

Further risks that are essential for the fund and not adequately covered by the indicator above:

- Credit risks because substantial investments are made in interest-bearing securities whose repayment may be cancelled.

## Charges

The costs borne by you are used for the management of the fund as well as its distribution and marketing. The costs may impair the further development of the fund.

One-off charges debited before or after you invest	
Entry charge (max.)	3.00%
Exit charge (max.)	n/a
Charges taken from the fund over a year	
ongoing charges	1.10%
Charges taken from the fund under certain specific conditions	
Fees tied to the performance of the fund (max.)	n/a

The entry charge stated is the maximum possible charge. Actual charges may be lower. When changing from one fund or unit class to another fund or another unit class within the umbrella fund, half of the entry charge may be charged at most. When buying fund units, however, a minimum fee of CHF 80.00 may be charged. Your adviser can inform you of the actual costs.

Running costs are estimated on the basis of the expected overall costs. Running costs can vary from year to year. The annual report contains details on costs.

For more information, please refer to point 3 of the Sales Prospectus.

## Past performance

There is still not enough information to make a statement about previous performance

### Additional information:

Past performance is no guarantee of future success.

Shares for this share class were issued the first time in: 2018

Currency in which the performance was calculated: CHF

Running costs are taken into account in the performance.
