

Balanced and security-oriented investment with the opportunity for higher returns – *Swiss Life Business Invest*

In a company every day brings new challenges. One such challenge is occupational benefits, whether you are an employer, Board of Trustees or employee representative. Accept this responsibility and choose a reliable partner.

Your situation

You know how important it is to have an optimal occupational benefits solution. You also attach great importance to secure investments with opportunities for additional returns.

Our solution

Swiss Life Business Invest is the right choice for you if you want a security-oriented investment but do not want to pass up on attractive earnings opportunities. You are prepared to accept fluctuations in the value of your investments in favour of high returns. The risks of death and disability are borne entirely by Swiss Life.

What makes this employee benefits solution unique?

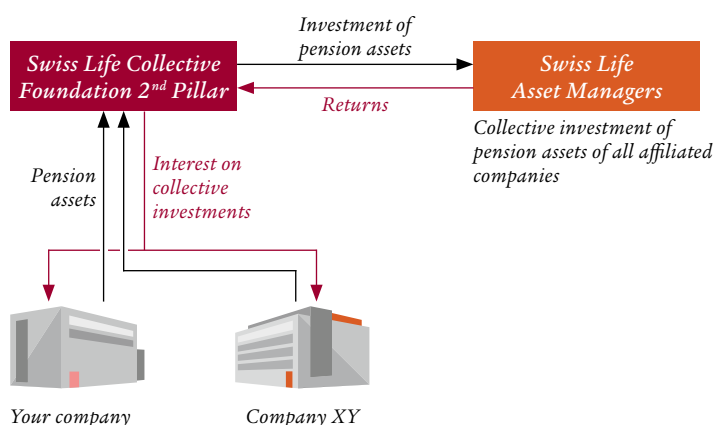

- The pension assets are invested in a balanced and income-oriented way.
- Your workforce stands to earn a particularly attractive return.
- Potential high returns: You benefit from the “Best Select Invest Plus®” approach of the Swiss Life Investment Foundation and the know-how of the best-qualified asset managers.
- A uniform conversion rate for calculating the retirement pension is applied to mandatory and supplementary retirement savings.

The advantages of a Swiss Life employee benefits solution

- **Scope of benefits:** We put your needs first. Benefits can be quickly adjusted if your circumstances change.
- **Maximum flexibility for payments:** You decide whether to pay your contributions on an annual, quarterly or monthly basis.
- **Administration:** You can manage your employee benefits online making it simple and convenient for you. Wherever you are, you have an up-to-date overview at all times.
