

# Maximum security in occupational benefits – *Swiss Life Business Protect*

*In a company every day brings new challenges. One such challenge is occupational benefits, whether you are an employer, Board of Trustees or employee representative. Accept this responsibility and choose a reliable partner.*

## Your situation

You are looking for maximum security in your employee benefits and want to have more time and flexibility for your business by not having to deal with the investments yourself.

## Our solution

*Swiss Life Business Protect* is the right choice for you if the security of your pension assets is your top priority. You benefit from a 100% capital and interest rate guarantee. You are also entitled to bonuses. The risks of death, disability and longevity are borne entirely by Swiss Life.

## What makes this employee benefits solution unique?

- Full all-round protection: full guarantees and reinsurance of all risks
- 100% unlimited capital and interest rate guarantee on all pension assets
- You are contractually entitled to bonus payments
- There is no possibility of a shortfall\* and no requirement for restructuring measures

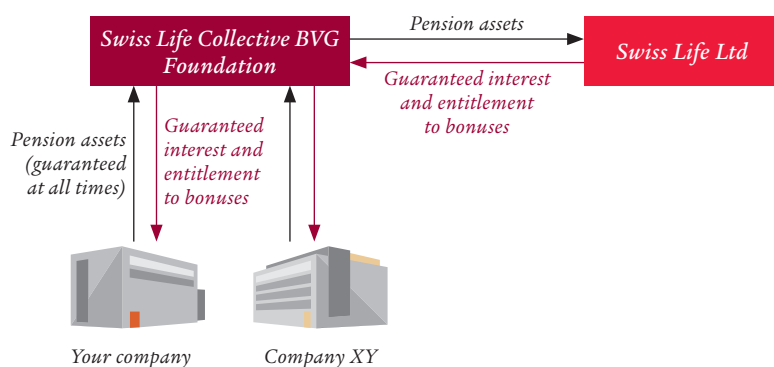

\*An employee benefits institution with a shortfall has insufficient funds to meet its obligations.

## The advantages of a Swiss Life employee benefits solution

- **Scope of benefits:** We put your needs first. Benefits can be quickly adjusted if your circumstances change.
- **Maximum flexibility for payments:** You decide whether to pay your contributions on an annual, quarterly or monthly basis.
- **Administration:** You can manage your employee benefits online, making it simple and convenient for you. Wherever you are, you have an up-to-date overview at all times.
