

Our network – your added value

With more than 105 employees (including twelve accredited pension actuaries) at five locations throughout Switzerland, Swiss Life Pension Services Ltd and its subsidiary aXenta Ltd provide advisory, administrative and IT services in the field of occupational benefits for over 400 clients including pension funds and employers. Over 80 000 insured persons are managed on behalf of clients in the outsourcing area, and more than 800 000 insured persons throughout Switzerland rely on the aXenta software.

Together we develop solutions for your employee benefits institution in all areas of occupational benefits. Our services comprise actuarial reports, advice/calculations in accordance with international accounting standards (IFRS/US GAAP), asset and liability management studies as well as outsourcing services for pension funds, investment controlling, securities accounting, corporate consulting and pension governance studies. The IT services and products include consulting, licence sales, ASP and cloud solutions and IT full service provision.

We set great store on working with our clients in a spirit of partnership. We are committed to achieving the best possible results for you.

aXenta AG in Baden-Dättwil in the canton of Aargau specialises in the development, launch and support of high-quality and technologically advanced IT solutions. Its portfolio is primarily geared towards occupational benefits institutions, banks and insurance companies throughout Switzerland. With its great expertise and a marked customer-focused quality mindset, it leads the way with the Xplan product line as well as the execution of complex IT projects based on the latest technological standards. Xplan is an in-house development of aXenta AG and has been successfully distributed throughout Switzerland for over 15 years.

The services of Swiss Life Pension Services Ltd and its employees (accredited pension actuaries, insurance actuaries and administration specialists) are geared to the specific needs of the pension fund. The strategic responsibility always remains with the Board of Trustees. The Board of Trustees decides which tasks it will assume itself and which it will entrust to Swiss Life Pension Services.
